- Current WCC policy allows ADSC International Associate members to attend ONE WCC meeting, by invitation, after that they must join the chapter should they wish to attend further meetings.
- Any non-member vendor appearing at a WCC event will be asked to immediately pay their full meeting registration (not just a meal), as well as chapter dues. If they attend a meeting other than the Annual meeting they will be asked to pay chapter dues at that time.
- Non-ADSC member vendors will be allowed to attend only by invitation from a WCC member in good standing (and only one WCC meeting, they must join International and WCC before attending another chapter meeting.)
- Anyone refusing to comply with this policy will be asked to leave. The name of the company/individual attempting to “crash the party” will be included as an item for discussion during the next board meeting and included in the meeting minutes.
