**Re: Northern California Operators Local 3 Training Class  
March 26, 27 and 28, 2015 - Rancho Murieta, CA.**

Dear WCC Contractor Member (Signatory to Local 3),

The above referenced class is a three day training session designed to train Drill rig operators and those wanting to become foreman/superintendents. *(Experience levels are from apprentice to seven years)*. The ADSC West Coast Chapter specifically creates this class for the Drilling Industry. **This class is once again a three-day class, due to student request.** Space is limited, so you must respond to this notice quickly. I will confirm the number of attendees you will be able to send after I receive all responses.

This training class now in its 7<sup>th</sup> edition, has been developed in cooperation with the Northern California Operating Engineers Local 3 and the ADSC West Coast Chapter. There is No cost to your company. Professionals will train attendees in a classroom as well as an actual field environment. Lodging (optional) and food is furnished! You will, however be required to submit a copy of your workmen's compensation insurance to ensure your employees are covered. That's all!

*If you have an interest in this class please complete the following:*

Company Name: \_\_\_\_\_

Contact person: \_\_\_\_\_

Please attach a list of attendee's, their experience level, and if lodging will be required.

**PLEASE REMIT TO ADDRESS BELOW. DEADLINE FOR REPLY: March 4, 2015**
