Re: **Northern California Operators Local 3 Training Class**
TENTATIVE DATES April 25, 26, and 27 - Rancho Murieta, CA.

Dear WCC Contractor Member (Signatory to Local 3),

The above referenced class is a three-day training session designed to train Drill Rig Operators and those wanting to become foreman/superintendents. *(Experience levels are from apprentice to seven years)*. The ADSC West Coast Chapter specifically creates this class for the Drilling Industry. **This class is once again a three-day class, due to student request.** There are 15-20 spaces available to our members, please send your operator names!

This training class now in its 9th edition, has been developed in cooperation with the Northern California Operating Engineers Local 3 and the ADSC West Coast Chapter. There is No Cost to your company. Professionals will train attendees in a classroom as well as an actual field environment. Lodging (optional) and food is furnished! You will, however be required to submit a copy of your workmen's compensation insurance to ensure your employees are covered. That is all!

If you have an interest in this class please complete the following:

Company Name: _____

Contact person: _____

Please attach a list of attendees, their experience level, and if lodging will be required.

PLEASE REMIT TO ADDRESS BELOW. REPLY DEADLINE is February 20, 2019!
